

MISSION STATEMENT

“Indian Creek Country Club is a family-oriented social and recreational club, whose purpose is to create a sense of community among its members, in a relaxed environment, while providing quality services and facilities.”

COURSE

Indian Creek Country Club is a semi-private golf course with limited outings and limits on non-member usage to four rounds per year. Our 9-hole course is a 2,759 yards, par 34 for men and a 2,674 yard, par 36 for women, Our putting greens feature well maintained bent grass surfaces. We have 13 sand traps, 3 ponds and a creek running across the course. The course is laid out to be walker friendly and one can easily play nine holes in an evening after work starting as late as 6:30 PM. We are a proud member of the U.S.G.A. and the Iowa Golf Association.

DINING FACILITY

Indian Creek Country Club features a banquet facility with a bar that provides a scenic view of the golf course. With easy access to our recently refurbished deck, the banquet facility can accommodate outdoor guests as well. It's the perfect option for wedding receptions, reunions, graduation parties, or many other events of up to 200 people.

SWIMMING POOL

Indian Creek Country Club features an 88,000-gallon swimming pool that is private to our members and their guests. The shallow end begins at a depth of 3 feet and extends to 5 feet and the deep end is 8 feet deep. With pool attendants on duty, The swimming pool is a “swim at your own risk facility.” Parents or guardians must be inside the fence of the wading pool. Indian Creek Country Club’s swimming pool facility is a safe, family friendly atmosphere that is not overly crowded like most public pools.

INDIAN CREEK COUNTRY CLUB HISTORY

Indian Creek Country Club was started in 1925 by a group of Marion and Cedar Rapids businessmen who called themselves the Marion Club.

In 1935 the course was sold to Claude Knapp who operated it until 1940 when Bud Connell took over the operation.

In 1945 the name was changed from Marion Country Club to its present name.

In 1949 Nu-Marion Corporation leased the property to Olde Indian Creeke Country Club.

In 1971, the members of Olde Indian Creeke Country Club purchased the club from Nu-Marion Corporation.

On August 1, 1976, certificate holders voted to build a new clubhouse and facilities. The new clubhouse was opened in February 1977. That summer the fairway irrigation system and a new well were installed along with two newly constructed tennis courts.

In the fall of 1988, ownership changed to the investor group called North Marion Investors, Inc.

From November 1988 to December 1996, Golf Club Management leased Olde Indian Creeke Country Club.

From 1996 to 2008, B & J Catering, Ltd. operated as Indian Creek Country Club

As of 2008, a group of individuals known as Creeke Bed Investors, LLC, purchased the club. It currently operates as a semi-private golf course with a private swimming pool and public dining facilities.

Since taking over, Creeke Bed Investors, LLC has made many notable improvements to the course. One major improvement was removing, reconstructing, and renovating sand traps throughout the entire course, which was completed in 2014. In 2011, a 3-year tiling project was started to help drainage on holes 5 and 7 fairway and number 9 tee box that has greatly improved the quality of the course.

These improvements have not gone unnoticed. In 2009, Indian Creek Country Club was voted Iowa Golf Association's 9 Hole Course of the Year.

Also in 2009, an intercity Ryder Cup tournament called the Marion Cup versus Hunter's Ridge was established. Indian Creek has won the Marion Cup in 2010, 2011, 2012, 2013, 2016, 2017, 2018, 2019, and 2020. This friendly competition has grown each year and built a stable camaraderie between the clubs.

On August 10th, 2020 a "Derecho" storm came through Linn County and decimated Cedar Rapids, Marion and the surrounding areas. Hurricane-like winds of 120+ mph lasted for nearly an hour. Both floors of our clubhouse were flooded, windows were broken, and over 100 large, mature trees were lost or damaged.

By February 2021, the clubhouse was able to reopen with significant renovations and improvements throughout the facility, with more to be done throughout the year. The club has also begun replanting lost trees.

SITE HISTORY

Indian Creek Country Club consists of 44 and 2/3 acres and is located at the site of the old Marion Interstate Fair Grounds. At its inception, it was necessary to play between the fair buildings. During August each year, the course was closed for two weeks and the greens were fenced off to allow the annual fair to take place.

There is not a planned golf event and acts as any other Men's Day except greens fees are reduced to \$15 per guest. Members are encouraged to bring up to 3 guests (although it's not required), with the understanding that guests must follow all club rules and they are responsible for any unpaid charges made by their guests. No sign-up is needed.

Men's Club Championship second weekend in July

The annual Men's Club Championship is always played on the second weekend of July. This event is an individual stroke play tournament for men ages 16 and over, with a current, established GHIN handicap. All skill levels are welcome as we preflight this tournament based on handicap. A flighted skins game is optional each day, and prizes are awarded in pro-shop credit for each flight.

The tournament is 18 holes on Saturday and 18 more on Sunday. The low senior (ages 50+) is awarded our Senior Champion after 36 holes (total score). The Championship Flight and low scores from other flights near the leader will play a final 9 holes to decide the Open Championship. The golfer with the lowest 45 hole total score is the Open Champion.

Match Play Tournament

The Indian Creek Match Play Tournament is a season-long, single elimination, net scoring, match play tournament. Each round of the tournament allows competitors 3 weeks to schedule their match. It's a great way to meet new members, and players are grouped together based on similar handicaps. Up to 64 participants may sign up. Handicap required.

Marion Cup August second weekend in August

The Marion Cup is an annual Ryder Cup style event between members of Indian Creek Country Club and Hunter's Ridge Golf Course that started in 2009. COUPLES' NIGHT

Friday evening is designated as Couples' Night from 4:30 PM to 6:00 PM, starting in May, continuing through August. During these times, couples are welcome to golf starting off hole number one. All other facilities including the pro shop, swimming pool, and Creeke bed will remain available for all members. If the first tee is open, between 4:30 PM and 6:00 PM, non-couples can play.

Golf Format

Couples' Night is more of a social event than a competitive golf event. For this reason, we allow up to 5 couples per group on the golf course (only during the designated couples' golf time). Groups larger than 2 couples are restricted to playing an alternate shot format. Each week a unique couples alternate shot format is arranged and an optional game is offered for \$10. The game usually consists of a few skill contests, such as low score, fewest putts, chip-ins, and birdies. All participants will be entered for a raffle drawing to win pro shop credit. Winners of the raffle and all skill prizes will be announced at approximately 8:00 PM in the upstairs dining room. If groups have yet to finish at 8:00 PM, they remain eligible to win all prizes. The grand-prize winner must be present to win (still on Indian Creek Country Club property). Guest couples are welcome for all couples night events but must register and pay a \$17 guest green fee in the pro shop. Guests can also enter our \$10 couples' game but this expense is separate from the guest greens fee. Single memberships are able to bring their non-member spouse to play on couples' night but must register in the pro shop and are subject to a guest green fee.
